

**Mike Henshaw** (FA London) has served for 24 years as the Rice University men's club soccer coach and his record speaks for itself. Mike has led his Rice teams to 4 national playoff appearances and 5 league titles including the conference title in the fall of 2004. Coach Henshaw stresses character as the key to success on and off the field and incorporates this theme in every camp session.

The camp program for young players and teams includes physical conditioning, technical skills and tactical training taught by a highly experienced coaching staff. Camp unity is exceptional.

**Our camp was included in the "top 50 camps in America"** by the Instep Soccer Magazine. We take pride in the growth of our soccer family that continues to grow each year.
